Unison

1 Im - mor - tal Love, for ev - er full, For ev - er flow - ing free,
 2 I see the wrong that round me lies, I feel the guilt with - in;
 3 I dim - ly guess from bless - ings known Of great - er out - of sight,

For ev - er shared, for ev - er whole, A nev - er - ebb - ing sea! No
 I hear, with groan and tra - vail - cries, The world - con - fess its sin. Yet
 And with the chas - tened Psalm - ist, own His judg - ments, too, are right. I

of - fring of my own I have, Nor works my faith to prove; I
 in the mad - d'ning maze of things, And tossed by storm and flood, To
 know not what the fu - ture hath Of mar - vel or sur - prise, As -

can but give the gifts he gave, And plead his love for love.
 one fixed trust my spir - it clings; I know that God is good.
 sured a - lone that life and death His mer - cy un - der - lies.
